

New signs for disabled parking.

Expires on 14 September 2015 the transitional period for the adaptation of the mark and the signage to the disabled, in implementation of the Decree of the President of July 30, 2012, number 151, with the "Regulation amending Presidential Decree 16 December 1992 495 on the Regulation of execution and implementation of the new Highway Code, with regard to structure, marking and signage to facilitate the mobility of disabled persons "

Besides the personal mark it has changed the signage both horizontal and vertical. In road signs symbol disabled reported on signal Fig. 79 / a and the figures 130, 320 and 322a of orange with black writing turns blue with white writing.

The figures in the markings of Presidential Decree no. 445 / a, 445 / b, 445 / c are replaced by the new symbol disabled by the color white on a blue background.

SIBESTAR in this regard makes the adhesive of the new disability symbol printed on reflective film, allowing you to update the signal.
